NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE HALF-YEAR ENDED 31 DECEMBER 2014

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Preparation

This general purpose interim financial report for the half-year reporting period ended 31 December 2014 has been prepared in accordance with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Act 2001*. This interim financial report does not include all the notes of the type normally included in an annual financial report. Accordingly, this report is to be read in conjunction with the annual report for the year ended 30 June 2014 and any public announcements made by ABM Resources NL during the interim reporting period in accordance with the continuous disclosure requirements of the *Corporations Act 2001*.

The accounting policies adopted are consistent with those of the previous financial year and corresponding interim reporting period except for: AASB 2 *Share-Based Payments* – There is no impact on the financial statements because they apply prospectively to share-based payment transactions for which the grant date is on or after 1 July 2014; AASB 8 *Operating Segment* – There is no impact on the financial statements because this is a disclosure standard only; AASB 124 *Related Party Disclosure* – There is no impact on the financial statements because this is a disclosure standard only.

(b) Estimates

The preparation of the half-year financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates.

In preparing these consolidated half-year financial statements, the significant judgements made by management in applying the Group's accounting policies and the key sources of estimation uncertainty are the same as those that applied to the consolidated financial statements as at and for the year ended 30 June 2014.

NOTE 2: SEGMENT INFORMATION

Following the NT Department of Mines and Energy approval of the Mine Management Plan for the Old Pirate Gold Project and commencement of trial mining in the prior year, the full Board of Directors, who are the chief operating decision makers, identified two reportable segments from the Group's main activities, being the Mining Lease, Trial Mining and Development segment and Exploration segment. In the previous period, reportable segments were identified from a geographical perspective with the mineral exploration segments being, the Northern Territory and Other segment. The prior period comparative has been amended to reflect these changes.

Management assesses the performance of the operating segments based on a measure of exploration and evaluation expenditure for each activity. The measure excludes items such as the effects of share based payments expenses, interest income and corporate expenses as these activities are centralised.

INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of ABM Resources NL

Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of ABM Resources NL, which comprises the consolidated statement of financial position as at 31 December 2014, the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the half-year ended on that date, notes comprising a statement of accounting policies and other explanatory information, and the directors' declaration of the consolidated entity comprising the company and the entities it controlled at the half-year's end or from time to time during the half-year.

Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2014 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of ABM Resources NL, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of ABM Resources NL, would be in the same terms if given to the directors as at the time of this auditor's review report.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of ABM Resources NL is not in accordance with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the consolidated entity's financial position as at 31 December 2014 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and *Corporations Regulations 2001*
